### **Proposed Change**

#### Article V Dues Section 1. Amount

- a. The annual dues for a member of District Four shall be the District dues plus TNA and ANA per member assessment. Any changes in the rate of the TNA and Ana per member assessment shall be automatically incorporated into the annual dues for a District Four member. Any change in the District dues shall become effective at such time as provided for in TNA policies (e.g., as of 2012 \$343).

### **Rationale:**

District Four has not had a District dues increase since 1995. We are proposing an increase of \$5.00 per member. In order to continue to maintain District Four at its present state considering the cost of living increases since 1995 and the cost of doing business it is necessary to request/recommend the increase. If the increase is approved by the Membership (proposal will be voted on at the March 8, 2012 General Membership Meeting) the dues breakdown will be as follows: ANA \$138 TNA \$150 TNA, D-4 \$55
